PRICELIST & DESCRIPTION 2023

COMMUNITY GROUPS

Feathered Friends

\$200

45 minutes

2-3 live raptors

- Discover how birds are different from any other animal group while focusing on specific raptor characteristics.

Program prices are for groups of 35 students or less. For groups of more than 35 we suggest doing two smaller programs back to back to give students a more personal learning experience. While participants cannot touch the raptors, we will bring along biofacts that students get hands on learning experience.
